

Fundraise on Facebook and Instagram

By asking your friends and family to donate via Facebook or Instagram, you will help our work improving lives for LGBTI people across Europe and Central Asia. No fees are charged on donations, so 100% will be received by ILGA-Europe.

Simply click on this link <https://www.facebook.com/fund/ilgaeurope/> to create your page. You can set your own target amount, end date and upload your own cover picture.

Your friends are more likely to donate if you personalise your page, so edit the text to share why you care about LGBTI equality and why raising money for this cause is so important.

Once you have your page set up, invite your friends to help you reach your fundraising goal.

If you're fundraising for your birthday, we have [plenty of downloadable images](#) to help you customise your fundraising page and spread the word.

Create an Instagram Fundraiser

You can create a fundraiser for [ILGA-Europe](https://ilga-europe.org/) from an Instagram post by tapping on 'Add fundraiser' before sharing. The fundraiser will be visible in the post and you can find a link to the fundraiser in your bio. The fundraiser will be active for 30 days. You can extend the fundraiser duration or end it at any time. For more detailed instructions on creating an Instagram fundraiser, click here <https://help.instagram.com/2527669914192115>
