

## Support our work through gaming and livestreaming

Setting up a charity livestream is easy with [Tiltify](#), an online giving platform that allows supporters to donate to your stream while you are live.

Tiltify have integrations and features like overlays and alerts that allow easy fundraising while livestreaming on sites like Twitch. Simply click on 'Start Fundraising' to get started.

ILGA-Europe receives donations directly, and all the money you raise goes towards our vital work for the safety, equality and freedom of LGBTI communities across Europe and Central Asia.

If you're inspired to get involved, we'd love to [hear](#) about what you have planned. Don't forget to tag us on social media!
