

Membership

ILGA-Europe is a membership organisation: our members are LGBTI groups and organisations from Europe and Central Asia. Currently, over 700 organisations across 54 countries are members of ILGA.

A snapshot from a conference plenary

ILGA-Europe member organisations from Europe and Central Asia are part of the overall ILGA World membership. Applications for membership can be made through the [main ILGA World website](#).

Member organisations in Europe and Central Asia shape the future of our movement in two ways:

- By participating in ILGA-Europe and ILGA World's organisational governance. This includes deciding on Constitutions and Standing Orders, inputting on organisational budgets and accounts, electing the Board – and ensuring we are a healthy, accountable, sustainable and inclusive organisation.
- By contributing to strategic planning processes and discussions about the directions the LGBTI movement could take in these regions.

ILGA World grants and handles membership for all our regions – Africa, Asia, Europe and Central Asia, Latin America and the Caribbean, North America and the Caribbean, and Oceania. Member organisations' rights and obligations differ from region to region. You can read more about them in [our Constitution](#).

Within the ILGA family, we strive for regional and global solidarity and stand together as a diverse and multifaceted movement.

If you have any questions about membership, please [find out more here](#) and [contact the ILGA World secretariat](#).
