

Poland's Anti-LGBT Hate Timeline

[Blog](#), [Homophobia](#), [Poland](#), [Transphobia](#)

Over the past number of years, LGBTI people have come under increasing attack from ruling politicians, religious leaders and other public figures in Poland. This has come in the form of dangerous and false framing of LGBTI people as a threat to children, and as a threat to Christianity.

We have created and will be updating this abbreviated timeline of what's been happening over the past two years with the rise of official homophobia and transphobia.
