

# Annual Review 2024

[Report, Annual Review](#)

## **the 13th edition of our Annual Review of the Human Rights Situation of Lesbian, Gay, Bisexual, Trans and Intersex People in Europe and Central Asia.**

The publication includes events that occurred between January and December 2023.

It provides a snapshot of what happened during the year, at national, regional and international levels, and it documents progress and trends regarding the human rights situation of LGBTI people.

We must warn that some parts may be potentially triggering for some readers. We must also stress that this document is not an exercise in apportioning blame. ILGA-Europe's goal is not to point fingers at specific countries. Instead, this publication intends to serve as a tool for the exchange of best practices and policies, and as an open invitation for enhanced cooperation between governments and LGBTI civil society.

ILGA-Europe want this publication to meet our readers' expectations and needs, and welcome any suggestions for improvement. We hope that you will find this edition of the Annual Review informative and useful.
