This trans specific map reflects the state of equality and discrimination on the grounds of gender identity and gender expression in Europe. This map on the legal situation for trans people in Europe is an integral part of the Rainbow Europe Map & Index produced by ILGA-Europe and Transgender Europe in May 2011 which reflects the legal situation for lesbian, gay, bisexual and trans (LGBT) people in Europe.

The Rainbow Europe map reflects European countries’ laws and administrative practices which protect or violate the human rights of trans people. This Map does not reflect the social situation of trans people. Each country is ranked according to an overall average of 12 categories detailed in the Rainbow Europe Index on the back side of this document.

The information contained in this document does not necessarily reflect the position or opinion of the European Commission.
