- Institutions

A RESEARCH PROJECT BY: TGEU
“Transrespect versus Transphobia Worldwide”

Threefold Project Structure

Sub-project 1: “Trans Murder Monitoring”

systematic monitoring, collection and analysis of reports of homicides of trans people worldwide

Sub-project 2: “Mapping the Legal Situation”

serves to collect, analyze and map the relevant data to give a general survey on the human rights situation of trans people worldwide

Sub-project 3: “Evaluation and Contextualization”

provides a contextualisation and evaluation of the results of the other two sub-projects and enables a deeper insight into the human rights situation in selected parts of the six world regions.
Mapping the Legal and Social Situation: Expert Questionnaire

Addresses a range of issues pertaining to

- Gender recognition legislation
- Hate crime legislation
- Anti-discrimination legislation
- Criminalization / Prosecution
- Trans-specific health-care
- Good practices
- The trans movement and community
Legal Situation in Germany
